On March 23, 2005, the El Paso Water Utilities Public Service Board (PSB), passed a resolution requesting the City of El Paso grant an underground (10') electrical easement and one transformer easement (12' x 18') for the purpose of providing electrical service to Americas Reservoir and Booster Station in east El Paso located at 1260 Southview in a portion of Tract 3B, O.A. Danielson Survey No. 312, El Paso, El Paso County, Texas.

PLEASE NOTE: The March 23, 2005 El Paso Water Utilities Public Service Board Resolution requests the Council authorize the MAYOR to sign the easement; however, the authority is delegated to the City Manager now. The Resolution was passed during the transition period.

PRIOR COUNCIL ACTION:

Has the Council previously considered this item or a closely related one?

These are routine electric easement requests received from El Paso Electric Company to provide electric service to certain properties.

AMOUNT AND SOURCE OF FUNDING:

How will this item be funded? Has the item been budgeted? If so, identify funding source by account numbers and description of account. Does it require a budget transfer?

Danielson Survey No. 312, El Paso, El Paso County, Texas.

REQUEST TO PLACE ITEMS ON THE CITY COUNCIL AGENDA – May 31st, 2005

Attached is a copy of each of the three easements in this request. Upon approval of these items, it is requested that the City Clerk keep one original and return TWO originals to this office so that recording arrangements may be made.

The El Paso Water Utilities is requesting this matter be placed on the Consent Agenda for May 31st, 2005, to give the City Attorney's Office ample time to review.

Please advise this office upon completion of your review and approval of the placement of these items on the City Council Agenda and my secretary will contact the City Clerk and make arrangements to have document packets hand-delivered to the City Clerk's Office and email backup documents as noted to those listed below. If there are any questions, please call me at 594-5607 or email bandron@epwu.org.

I will plan to attend the City Council meeting. Thank you for your kind attention to these matters.

Work Order No. 04-7-1-70194

For ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the CITY OF EL PASO, hereinafter called Grantor, grants unto El Paso Electric Company, hereinafter called Grantee, its successors and assigns, whose address is P.O. Box 982, El Paso, Texas 79960, the non-exclusive right, privilege, authority and easement to enter upon and erect, construct, operate, remove, inspect, access, and maintain and install underground cables, lines, conductors, conduits, transformer installation including padmount and conventional, ducts, vaults, pullboxes, manholes, handholes, service facilities, fixtures and all other necessary equipment for an underground electric distribution system, with the right of access, ingress, and egress thereto for the installation, construction, operation, inspection, repair, maintenance, replacement, renewal or removal thereof, for the distribution of electricity for which same is or may hereafter be used, over, upon and along the following described premises and the adjoining roads, streets and highways, in the county named above, to-wit:

A portion of Lot 17, Block 1, San Clemente Subdivision, El Paso, El Paso County, Texas
as shown on the attached print and made a part thereof

with the right to trim any trees and flora and around said electrical equipment so as to keep the electrical equipment cleared, and to do anything reasonably proper and necessary to operate and maintain same.

This easement shall be for the term of the El Paso Electric Company's franchise and any extension and renewal thereof by the City of El Paso. In accepting this easement, the Grantee agrees that upon request it will relocate any of its facilities located within the easement at no cost to the City of El Paso, or its Public Service Board, successors or assigns.

In accepting this grant, Grantee agrees that it will replace landscaping and paving as disturbed by the construction, maintenance or repairs of and to its facilities in and upon such easement.

Grantor reserves the right to full use and enjoyment of said property, except for the purposes herein granted.

Should Grantee abandon the facilities and right-of-way, then the land herein above described shall revert to Grantor, its successors and assigns. Such abandonment shall be conclusively presumed following non-use by Grantee for one year and with use not being resumed within sixty (60) days following receipt of notice of abandonment from Grantor to Grantee, and on such abandonment, Grantee will then execute any and all necessary documents to evidence such abandonment.
